FACTS
About the Great Majestic Range

It is the only range in the world made of Malleable and Charcoal Iron.
It has, beyond any question of a doubt, the largest and best reservoir.
It uses about half the fuel used on other ranges, and does better work by far.
The Majestic All Copper Nickled Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.
The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.
Being made of non-breakable material, there is practically no expense for repairing the Majestic.
As for baking, it is perfection, not only for a few months, but for all times to come.
A Great Majestic Range lasts three times as long as a cheap range, but it don't cost three times as much.

PROOF—We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where Majestic ranges are made, will prove to your satisfaction that these are absolute facts, and will show you many more reasons why the Great Majestic Range is absolutely the best that money can buy.

The tea given Thursday afternoon at the home of Mrs. Edgar, South Third street, was a very pleasant affair. The table of home cooking proved an appetizing as well as a lucrative feature.

Miss Virginia Goodman, of Virginia, who is in the city a guest of her cousin, Mrs. D. H. Carna, of West Gold avenue was the guest of honor of Wednesday afternoon at

the first of a series of entertainments to be given by Mrs. Carna. The second and third affairs of the series will take place on Monday and Tuesday of next week. About seventy ladies will be present on the two approaching occasions and seventeen were present Wednesday afternoon.

K. of C. Party—The first social event of the season among the Knights of Columbus proved a very successful and enjoyable affair. It was given by the Calumet club, composed of thirty knights to provide entertainment for the lodge members and their friends through the winter, at Red Men's hall Wednesday night. The knights attended the lecture of Father Tom Sherman at St. Mary's hall after which they went to Red Men's hall. The evening began with progressive euchre. Souvenirs were given all the players and prizes awarded to the most proficient. A musical program and a one-act comedy added to the amusement of the evening. There was dancing after the playlet and refreshments were served. Other interesting entertainments have been arranged by the Calumet club for the winter season.

Card Party—Mrs. J. B. Henderson, of 121 North High street, is entertaining a number of ladies this afternoon at the fascinating game of 500. J. Maloy at their pretty home in the apartments on South Third street. Mrs. Maloy was assisted by her little daughter. The dinner was served in six courses of which the "piece de resistance" was a large roast turkey. Following an informal reception to the noted guest of honor in the parlor of the Maloy home, dinner was announced. While the guests partook of the dainty viands an orchestra in an adjoining room discoursed a number of musical selections. Following dinner coffee and cigars were served and the guests spent an hour in "after dinner conversation," in which Father Tom related a number of the amusing little anecdotes of his travels for which the eminent divine is noted.
